The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

IT'S A PARADE

You and your **REDHEAD** are invited to participate.
6th Annual St. Patrick's Day Parade
Saturday, March 18, 1989

Starting as a straggly bunch of a dozen or so handlers and their Irish Setter, who ambled down Central Avenue in 1984, we have upgraded our entry each year and are now a smartly stepping, snappily outfitted group of handlers with our dogs stealing the show. We have had as many as 45 REDHEADS and expect another great turn out this year.

Plan a trip to Phoenix that weekend. We would love to have you join us.

Morris Animal Foundation 1948-1988 — Forty Years of Better Health for Dogs.

Here's what Morris Animal Foundation-funded projects have done for dogs:

- Developed a test for parvovirus leading to a vaccine
- Proved that spaying does not cause obesity
- Determined that "collie eye" is a genetic defect
- Doubled the storage life of canine blood
- Discovered that red mange is tied to immune deficiencies
- Adapted allergy tests for use in dogs
- Established more effective dosages for heartworm drugs
- Extended the life of dogs with osteosarcoma
- Proved that transplants of insulin-producing cells can temporarily cure diabetes

Here's what needs to be done:

- Learn which dogs get bloat and why
- Find better treatments for canine cancers
- Slow progress of kidney disease
- Produce better parvovirus vaccines
- Learn how to prevent hip dysplasia
- Your gift can help.
